FROM THE CHAPTER PRESIDENT

I have had an amazing year serving as your ASMC President. With this role, I was forced to learn the art of balancing multiple task while maintaining a sense of confidence at each task. I have had to balance a new job, working on higher education to obtain an advanced degree, serving as an active participant of PTA, and serving in various ministries in my church; all while managing my loving husband and my beautiful two children .

This year has granted me the opportunity to learn a vital lesson of life: doing one thing great is better than doing multiple things ok. I have learned that confidence exudes when you feel great about yourself and the choices you make.

With being the President, I have been in situations where I communicated with individuals I would normally not communicate within a day to day basis. Addressed crowds that I would normally not address. Make decisions on task that I would normally not make. This year I have met great people that will leave a lasting impression on my life.

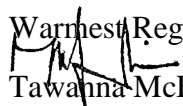

One of my top priorities and goal was to increase membership for ASMC. We had a total membership increase of 114. We had a total of 27 new CDFMs.

Wow! Congratulations and welcome aboard to a dynamic team. A special thanks to the Executive team and Chairs! They provided great guidance and feedback. Thanks for being instrumental in continuing our Five Star Status, which is a great testament to the team and their drive. Thanks for making your president look great.

The best thing about relinquishing my duties, I have the opportunity to release my responsibilities to an exceptional guy. He welcomed me in from the first day with a great smile and wonderful personality. Jeremy Taylor (JT) you are just what ASMC needs. Congratulations!

It has been a pleasure and a life changing experience.

“Anyone who has never made a mistake has never tried anything new.” Albert Einstein

Warmest Regards,

 Tawanna McFarlin,
 Navy ASMC-HR President
