Hampton Roads Chapter

A note from our President

Fellow ASMC Members,

I want to give a big shout out to all of our Service vice presidents and committee chair persons from last year who set the 2018-2019 ASMC Hampton Roads Executive Committee members up for a successful year leading our Chapter. We really appreciate all your hard work from this past year, your thorough pass down, and we have really enjoyed working with you all! I am personally humbled and grateful to have this opportunity to lead our chapter as your president. Thank you for this privilege to serve you!

Our vision for the year ahead is simple yet purposeful – one that builds on the strong foundation our chapter has laid in years past.

As the ASMC Hampton Roads Chapter, we seek to:

- Provide resources for the growing professional
- Serve those in need in Hampton Roads
- And build a community we all want to be a part of!

Since June, I have been so blessed by the way each of our committee chairs and Service vice presidents have really stepped up to build out this vision in tangible ways in each of their areas of responsibility.

Bill Gay has started early on our scholarship program—making sure we have an opportunity to support local high school students pursuing a career in comptrollership. Kevin Brodie has been working conscientiously with the other services to launch our Awards program early in order to make sure we reward the best candidates. Kathy Price, our new webmaster, has been completely revamping our [Chapter website](#), including posting all our upcoming events and relevant content for our members! David Munden has done a phenomenal job coordinating our professional development luncheons, working with our service vice presidents to ensure we have outstanding, relevant speakers to support the

professional development of our members! Our last professional lunch had over 90 attendees!

Our Secretary, Treasurer, and Competition chair have been working diligently behind the scenes to ensure all of our chapter administration and finances are flowing smoothly – thank you Cherryl Sullivan, Uliana Isbell, and Deanna Morinec for all you do for our chapter!

One of the areas that has really brought us together as a chapter over the past four months has been community service. Thank you Candace Mianulli for leading so many great community service initiatives already this year! We have served those in need in Hampton Roads through:

- Collecting and donating 25 boxes of school supplies for schools in our area via the Salvation Army School Supply drive
- Handing out 127 blessing bags directly to the homeless in our community
- Our Dine out for a Cause and Strides Against Breast Cancer events, where we donated over \$860 to fight breast cancer!

Well done Chapter members! Additionally, everyone please come out and support our upcoming *Serving the Homeless Thanksgiving Dinner* event, on November 17th from 2-4pm at the Norfolk HRT Bus Station on St. Paul Blvd in Norfolk.

Hampton Roads Members, I'm honored to serve our chapter and our community alongside you, and I continue to look forward to the year ahead together.

Respectfully,

A handwritten signature in cursive script that reads "Adam J. Stanek".

ASMC MAKING STRIDES

LUNCH AND LEARN

27 Sept. The Navy hosted the *Lunch and Learn* in Norfolk. We were honored to have Dr. Robin Farley, Director, Transformation Programs OASN(FM&C), FMP-4 as our guest speaker. He spoke on Budgetary Reform Issues.

31 Oct. The Army will be hosting the Lunch and Learn at the Fort Eustis Club at 1130. We are pleased to welcome guest speaker Mr. Craig Emerson, Director, Human Capital Audits, US Army Audit Agency. The topic will be on experiences with the Human Capital Joint Planning Group, a DoD effort to create communication between all services.

-- David Munden, Professional Development Chair

On Saturday, October 13th the Making Strides Against Breast Cancer walk at Mt Trashmore presented by Hall/MileOne Autogroup was a HUGE success!! There were over 5,000 walkers in attendance and over \$130,000 raised to help support those facing breast cancer and to ultimately end the disease.

Team; ASMC Hampton Roads showed their support by raising an amazing \$861.00 for the foundation and had a great group of walkers in attendance!! Thank you to everyone whom supported our efforts, I can't wait to top it next year!
