ASMC SCHOLARSHIP AWARDS – Each year ASMC-Hampton Roads invites local college bound seniors who are interested in a degree directly related to financial/resource management to apply for a scholarship with us. This year seven deserving students won scholarships totaling \$5,000. These students are graduating top of their class while balancing extracurricular activities and volunteering in the community. We nominated our top two winners to compete in the ASMC National Scholarship Program for one of nine scholarships.

I had the honor of presenting Jakayla Blackshear and Candyce Croom of Norview High School a \$500 scholarship each. Jakayla will be attending Howard University in pursuit of an undergraduate degree in business administration. Candyce has been accepted to Virginia State University, Mary Baldwin and Norfolk State, and is pursuing a bachelor of science in resource management.

I am excited to present five remaining scholarships in the upcoming weeks-- three \$500, one \$1,000 and one \$1,500.

AGA & ASMC Joint Spring PDT 2019 "The Challenge of Change" – The "Strategic Professional Development" held by the AGA Virginia Peninsula and the ASMC Hampton Roads Chapters was a great success! Individuals from all levels of federal, state or local government organizations and from the private sector had the opportunity to earn up to 16 CPEs while networking with other government financial management professionals. We were honored to host a diverse group of speakers, all whom addressed a variety of topics under the theme "*The Challenge of Change*" (click to be taken to the program and slides).
